

Woudrichem, 2025

Declaration of supplier

Herewith we certify that all our ornamental young plants and seeds:

- Comply with the applicable legislation and respect the intellectual property law of the EU
- Our young plants are of EU origin, produced in The Netherlands
- Are free of diseases, pests and other damages
- When products are delivered to non-EU countries, they are provided with a health certificate issued by the Dutch Ministry of Agriculture, Nature and Food Quality
- For request there is available a detailed statement about the products what we use for plant protection in our greenhouses

Our MPS-ECA's number is 803407.

Yours sincerely,

Jacob Schneider

Director Schneider B.V.
